

WELCOME TEAM

The St. John's Kids welcome team helps families connect with our Sunday gatherings by assisting them with check-in for Sunday School or Youth ministry, as well as helping new families register online and find their way into our services and ministry groups.

Key Responsibilities

1. Set up and supervise the check-in stations for a Sunday service
2. Welcome new or visiting families and help them register for our family ministries
3. Be familiar with the locations of ministry groups to assist new or visiting families

Time Commitment

- Supervise the check in stations at one service once a month
- Be trained by another member of the team when you begin

Our Commitment to You

The St. John's Kid's team is committed to supporting you in this work. We will:

- Provide clear instructions for how to set up and run our check in stations
- Provide maps with the locations of various ministry groups (i.e. Sunday School classes and Youth Ministry groups)
- Schedule you well ahead of time so that you know when you are serving
